Mission Statement: The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

President's Message

Submitted June 2015
Dear Eta Zeta Sisters,

Warm weather should bring warm thoughts of the journey we have taken this year.

Members provided excellent programs. A grant program for local teachers was started. We awarded a generous scholarship a student from the College of the Sequoias. Twenty-one Jared Boxes were delivered to Valley Children's Hospital. Two of our programs featured local students and their teachers and parents. We achieved honors at the Chi State convention and to top it off we have the Woman of the Year for Porterville as one of our most active members!

We mourned the loss of Verna Crookshanks, a charter member. Bernice Raymond, charter member, joined us for the end of the year and renewed fond friendships. Our thoughts and prayers are with Sheila Boyer to restore her health.

We have had a progressive year together because we have worked together.

May you walk in beauty,
Virginia and Dorothy
